## TOWER TALK *by Vic Prior*

This is my last Tower Talk. I want to thank all of you that provided the much needed help and input during the past four years (especially the Order Board Editor, ed.). Without you I couldn't have effectively carried out my duties. Now it is time for all of us to consider the future.

The offices of superintendent and chief clerk/paymaster must be filled by willing, caring people. PLEASE make the necessary effort to vote using the ballot enclosed in this issue. Do it now, while you are thinking about it! Show the candidates you support that you care enough to show your support by voting. Approximately 225 ballots have been sent out in this Order Board mailing. Generally, forty to eighty folks are concerned enough to exercise their right to vote. Let's show the model railroading community that we here in the Cajon Division do care!!! Lets get at least 90 percent returned. All this takes is for you to do your part. Do it now as a last favor to me! Thank you!

I have really enjoyed being your super for the last four years. We have had our problems. Without some problems though, officers would not be needed as everything would run smoothly on their own.

Again, thank you everyone, for having helped me be a successful superintendent. I have enjoyed it immensely! Now, what did I do with all my hobby tools that I put away so long ago? Maybe my wife---; Oh well, I'll just have to go out and buy some more. Happy modeling!

## CANDIDATE STATEMENTS

### FOR SUPERINTENDANT: Wally Booth

Hello. I'm Wally Booth from Huntington Beach. I'm running for the office of Cajon Division Superintendent. I've been interested in railroading for about thirty years and seriously involved in model railroading for about ten years.

I'm running for this office because of my real desire to see model railroading grow in several different areas. These are:

1. To recognize and promote our youth involvement in the hobby,
2. To increase our membership and
3. To promote fellowship among model railroaders ("Model railroading is fun")

In my experiences working with other modelers, both youth and adult, I have acquired a knowledge of what both age groups want and need to make our hobby more fulfilling.

I'm looking forward to the opportunity to fire up the division and steam on down the track. Sorry for the pun, but I do love steam.

**FOR CHIEF CLERK/PAYMASTER: Orlyn Glover**

Hi, I'm Orlyn Glover. I'm happy to be running for the office of Chief Clerk/Paymaster for the Cajon Division. I first joined the NMRA in 1967, then the PCR and LA Division. I'm an active member of over twenty years with the Southern California Short Line Club in Orange County and have served as the club president for two terms.

I model, build and operate in O scale in a large outdoor garden railroad. My personnel challenge is to become a Master Model Railroader (MMR). I am very interested in the future of the NMRA and of the PSR and Cajon Division. If elected I will do my best to contribute my duties as Chief Clerk/Paymaster for the Cajon Division. Thank you for your support.

**BANQUET '87 by Rick Colbert**

Next February 28th, the Cajon Division will hold its' Annual Banquet at the Saddleback Inn in Santa Ana. We were there two years ago and will again hold the dinner and reception in the Wine Cellar. The reception begins at 6:30 PM and dinner starts at 7:30. There will be live entertainment. We will also learn the ballot results for the offices of Superintendent and Chief Clerk/Paymaster.

Don't forget to bring your favorite railroad related model or display to show. We'll be having a favorite model balloting contest with the winner's dinner being paid for by the Cajon Division.

The price of dinner is \$15.00 per person. The menu includes braised beef, rice pilaf and ice cream for dessert. For reservations send in the enclosed reservation form with your check or money made payable to the Cajon

Division. Send the form to Rick Colbert at 121 S. Illinois Street APT #3, Anaheim, CA 92805. Reservation forms must be received by February 23. There will be a limited number of dinner tickets available for sale at the door.

The Saddleback Inn is located at 1600 E. First Street in Santa Ana. See you there on Saturday, February 28.

**PAST EVENTS by Rick Colbert, Activities Chairman**

Christmas came early for those who attended the Cajon Division Auction on December 6th at the Glendale Federal Savings and Loan in Fullerton. Partly due to the rain and partly because buyers and sellers were still arriving at 10:00 AM, the start of the auction was delayed by forty five minutes. It was worth the wait though as over 1000 items were sold.

Steve Guccione (the Itallyan er Eyetalan er Italian Straight Man) and Tom "Minimum Bid" Becker were the auctioneers. "No minimum bids" were the order of the day as turnouts, cars, wooden structures and brass engines were sold.

Thanks to the efforts of June Prior, we consumed 50 hot dogs, dozens of donuts and two gallons of coffee. Thanks June for your help.

**CAJON DIVISION AUCTION RESULTS by Vic Prior**

I'm happy to announce that the Cajon Division has just completed its' most successful auction ever! Saturday, December 6th in Fullerton at Glendale Savings and Loan we broke our previous records, for the last six years at least. Approaching \$2700 in total sales, the Division's take looks like this:

|  |                |
|--|----------------|
| Cajon Rails '86 extra door prizes sold | \$120.50       |
| Regular auction net                    | 242.43         |
| Silent auction net                     | <u>13.53</u>   |
| Sub-total                              | \$376.46       |
| <br>                                   |                |
| Paid admissions                        | \$94.50        |
| Raffle                                 | \$17.50        |
| Dining Car                             | <u>\$52.06</u> |
| Net Division Earnings Grand Total      | \$540.52       |

Isn't this terrific? I think so! Thank you to everyone who attended and supported our auction. All the Auction helpers are to be commended also for a super job well done!

**DOUBLE HEADER OPEN HOUSE** *by Bob Chaparro*

Hi, I'm Bob Chaparro, and I'm not running for Plain Old Member this time. I've held that post for two too many years now. It's time for some new blood. I just want to tell you now about something fun. On Sunday, February 15, 1987, Dwayne Sykes and I are sponsoring a "Double Header" Open House in Corona. My mother is doing fine since her surgery after the last division swap meet, so admission will be free. The layouts will be open from 11 AM to 3 PM. The layouts are:

**Rimfire Western Railroad**

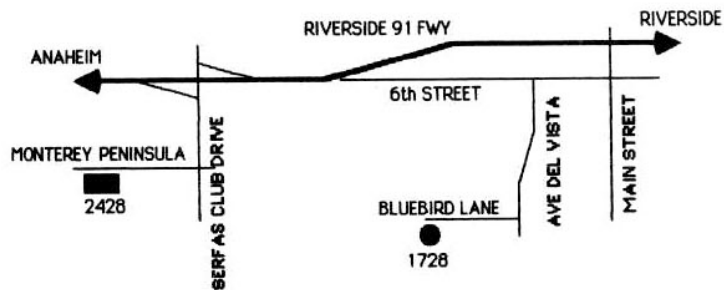

1728 Bluebird Lane  
Corona, CA

Based on a mountain division point, this pike features Pacific Northwest scenery and lots of modern diesel power. Track plan contains long grades and tight mountain curves. Several hundred handmade trees and ample custom painted power are found in this double car garage layout.

**Cajon & Santa Fe Railway**

2428 Monterey Peninsula  
Corona, CA

Scenery is typical of the Southwest. Operations are based on modern bridge line theme with Santa Fe and Union Pacific power. Nearly 3 scale miles of mainline with 28 inch minimum radius curves. The layout is nearly (almost exactly 85 percent) complete.

**YOUR VIEWS** *by You The Member*

**To:** Editor, The Cajon Order Board  
**Subject:** The October Issue

Mr. Becker, the October issue was indeed a "Bad Order" Order Board. No pictures of trains or famous model railroaders such as Vic Prior or Joe Walker. No ads telling us of the latest commercial developments and bargans (sic.). Not even pike ads for world class pikes, such as the Brea Valley Railroad.

What's the problem, Mr. Becker?

You even blamed Rick Colbert for the loss of the July issue and lampooned one of the hobbies greatest and finest personalities, Mr. Bob Chaparro, for the sale of magazines. I know for a fact that Bob used the money from the sale of a library class magazine collection to pay for an operation for his mother. Until you can improve the quality of the Order Board, I am demanding a refund of my subscription costs.

Sincerely,  
B. S. Pyle, Jr.

Dear Mr. Pyle,

With the aforementioned letter in mind I accept it as my earliest opportunity to resign after four years of sweat and effort in making the Order Board a Pulitzer class publication. That and the fact that Model Railroader doesn't need the competition.

Editor
